From The East

Brethren

We hear in the Entered Apprentice degree about “Masonry being founded on the purest principles of Morality, Brotherly Love, and Charity”. I would like to talk about the last principle, but surely not the least, Charity.

The dictionary defines charity as

“Benevolent goodwill toward or love of humanity, generosity and helpfulness especially toward the needy or suffering”.

Our charitable acts as a lodge certainly fit this criteria. One reason Charity is important to our lodge is because it most often is given to someone or some organization outside of our lodge itself, thereby spreading Masonic light outside our lodge and in the general community. These charitable acts are the culmination of a group effort of social fundraising events and activities. We will be continuing these charitable activities to help those less fortunate. I ask your help in supporting these continued fundraising efforts by the lodge. If we all can lend just a small bit of help, then collectively we can do big things. Thank You for all your support.

Fraternally

Charity

Brothers this year we have again teamed up with the **MEDFORD LIONS CLUB**.

The Lions Club of Medford Lakes Food Bank needs your help. They are in need of canned and dry goods for the food bank. This year they have seen the demand at their food bank triple. They are hoping with your help that we can service the additional needs of our communities. Most of the needs are from the surrounding areas and not necessary from Medford Lakes. Also Lions members do not have to be a resident of Medford Lakes. Items can be dropped at the Lodge; a marked box will be inside. Any questions Call Brother Bob Hanold Sr. at 609-440-2380
