Traveling Group

Brothers if you are interested in traveling to different lodges to see degree work or attend communications, please contact our Senior Warden Russ Bauer. We are open for suggestions and look forward to your joining us on our travels

From The East

Brothers,
“Freemasonry is a progressive science. As we advance in its mysteries, we find that a proper knowledge of it can be acquired only with time, patience and application”
Freemasonry is no different than any other undertaking. Think back to the first time you tried the game of Golf or the first time you tried fishing or hunting. Most likely you didn't know what you were doing, but you had a brother or a father to teach you how to get the skills necessary to become better at the activity. Freemasonry like those activities is learned by our dedication to come to lodge and to ask questions of your learned brethren. Our fraternity is full of brothers willing to help other brothers learn the craft of Masonry. Even if your brothers don't know the answers to your questions, it will usually spark and interesting conversation or discussion.
New Jersey has a new Grand Master who is starting his journey as the leader of the Craft. Medford lodge has two new Master Masons starting their journey in Freemasonry. All of these brothers need your help to move on their journey. Take the time to meet our new Master Masons and impart the knowledge of the workings of the lodge. As for the Grand Master, he to needs to hear from you and needs your support to make his vision for Masonry in New Jersey come to reality.
Fraternally
David M Carvin Sr.

Charity

Brothers this year we have again teamed up with the **MEDFORD LIONS CLUB**.

The Lions Club of Medford Lakes Food Bank needs your help. They are in need of canned and dry goods for the food bank. This year they have seen the demand at their food bank triple. They are hoping with your help that we can service the additional needs of our communities. Most of the needs are from the surrounding areas and not necessary from Medford Lakes. Also Lions members do not have to be a resident of Medford Lakes. Items can be dropped at the Lodge; a marked box will be inside. Any questions Call Brother Bob Hanold Sr. at 609-440-2380

From the Secretary.

If you have any changes in address, phone numbers or E-Mail addresses, please let me know so that you may receive due and timely notice for events and the Trestleboard.
Fraternally,
Mark K. Crosby, P
