From The East

Brothers,

“What first induced you to become a Master Mason?” This question is asked from the Worshipful Master to the Senior Warden in the opening and the closing of the lodge. Of course, His answer is “That I may travel and receive wages as such” This phrase alludes to when operative Masons were allowed to travel to find work.

Speaking speculatively about traveling is when a Mason travels to a different lodge to attend a meeting. Medford Lodge is acting on the speculative notion of travel by visiting a different lodge once during the month. Like recreational travel it will entail some sacrifice on your part to participate.

Who hasn't had to get up early to go to the airport or gotten home late due to traveling to or from a distant place.

Well Masonic travel is no different it takes some sacrifice on your part but is always worth the effort. Going to a different lodge can be very different than attend our lodge meetings, for instance, This month we are going to plan a trip to St. Albans Lodge in Philadelphia. Pennsylvanian Lodges are York rite ritual based lodges and have very different take on the same ritual you and I have come to know.

So come join Medford Lodge as we travel to this strange and foreign place called Philadelphia and experience Masonic travel with your Brethren. Reserve your place by contacting the Senior Warden.

Brothers this year we have again teamed up with the **MEDFORD LIONS CLUB.**

The Lions Club of Medford Lakes Food Bank needs your help. They are in need of canned and dry goods for the food bank.

This year they have seen the demand at their food bank triple. They are hoping with your help that we can service the additional needs of our communities. Most of the needs are from the surrounding areas and not necessary from Medford Lakes. Also Lions members do not have to be a resident of Medford Lakes. Items can be dropped at the Lodge; a marked box will be inside. Any questions Call Brother Bob Hanold Sr. at 609-440-2380
