MEDFORD LODGE No. 178 F. & A. M.  
25 BANK STREET  
MEDFORD, NEW JERSEY 08055  
[www.medfordlodge178.com](http://www.medfordlodge178.com)

My Brother:

I hope this letter receives you well. I have a goal this year to increase lodge attendance in our regular and emergent communications, decrease costs, and increase revenue for our lodge. Listed below are areas that I, along with the Officers and Committees of the Lodge, have determined where we can save money and increase revenue.

## **Trestleboards:**

In the world we live in we have many ways in which we can communicate. Some ways are new and innovative that try to use the current technology we have and some are the way we always have done it. If we treat our Lodge like a business we cannot keep going with the "status quo", we must be willing to accept change and adjust to stay competitive.

Currently we have at least 5 ways of communicating what is happening in Medford: (1) Medford Lodge Website, (2) Individual Email, (3) Medford App via Smart Phones, (4) Mail via Postal Service, (5) Facebook. Of the 261 Masons in "Good" standing we mail 57 Trestleboards that cost about \$125 every month; we also spend approximately \$45 per month on the Medford App. To try and reduce monthly cost I would like to stop using the Postal Service. Currently of the 57 mailers we send I have 39 Members that do not have an email address listed. If we can stop using the postal service, the Lodge will save at least \$960 annually. If you are willing to use one of the other (4) methods, please email me.

## **Increasing Revenue & Raise Awareness of Available Resources:**

Everyone knows that Masons come from all walks of life. However, what everyone doesn't always know is what expertise we have available to one another. We have: Day-Traders, Mortgage Brokers, Attorney's, Contractors, Manufacturers, Sales, Bankers, Investors, the list goes on and on.

It is sometimes difficult to determine who you can trust when you are looking for a certain service. Often, we rely on word of mouth, check online for reviews, know someone personally who has a prior experience to determine who we can trust with what we are asking the service for.

What I would like to do is assemble a list of Members and what service they provide and include it in every Monthly Trestleboard and on the Medford Lodge Website Resources page. Through doing this we accomplish multiple things: (1) we publish what expertise we have in the Lodge, (2) the Brother gets additional exposure for their business, (3) you have a list of people you can trust when you need something specific done. To be on this list of resources we are asking for an annual Lodge donation of \$100 which will go towards the daily operations, upkeep, and improvements to the Lodge.

If you are interested in either of these options, please email me at [medfordlodge178@gmail.com](mailto:medfordlodge178@gmail.com).

Fraternally,

  
Jonathan C Murray  
Worshipful Master, 2017

# Message from the East

My Brother,

The 3rd Monday in each February is a day to celebrate the President's of our nation. It is also the birth month of our First President, George Washington.

George Washington was not only our First President and the General of the Continental Army but was also Master Mason.

General Washington was afforded, and accepted, the honor of leading our Country through one of its most tumultuous times by winning our freedom from Great Britain.

After the Revolutionary War, during the Constitution Convention George Washington was unanimously elected as our First President.. Six years later President Washington laid the cornerstone of the U.S. Capitol.

In the second part of the Entered Apprentice Degree one of the very first parts is placing the newly initiated Brother in the North East Corner. This is symbolic of the laying of the cornerstone of any great edifice.

Last month I wrote about all Brothers meeting on the Level and Parting on the Square. This is important symbolically because prior to even setting the cornerstone you must have a level foundation to start.

The Entered Apprentice Degree is our version of leveling the foundation through illustrating the tenets and meaning of Masonry. It is also the laying of that cornerstone for every man who wishes to become a Master Mason.

The working tools identified during the Entered Apprentice Degree help us understand what it takes to make our foundation level and begin the task of chiseling away our impurities so that we can grow into those great edifices.

As with any great accomplishment we are only as strong as our foundation will let us. We mustn't forget those that helped us chisel away our imperfections that allow us to become better men than we were yesterday. The same rings true for every man who wishes to begin their journey with us; we must help them chisel away their rough edges to become better men.

Fraternally,

A handwritten signature in blue ink, appearing to read 'Jonathan Murray'.

# Grand Lodge Communication

My Dear Brothers,

In 2017, New Jersey Freemasonry will be celebrating the 300<sup>th</sup> anniversary of the Grand Lodge of England. To help commemorate this event, the Grand Lodge of New Jersey has contracted with PCI to publish a high end "Yearbook" to be sold/distributed late in the 2017/2018 Masonic year.

This notification is to advise you that all New Jersey Freemasons will be contacted directly by PCI via the mail for information that each Mason may wish to submit as part of that yearbook. Each of you will be able to provide up to 300 words for individual biographies and there is an opportunity for you to provide a personal picture.

I look forward to celebrating this historic event with you, and appreciate your support and cooperation.

With fraternal thanks and regards,

Dieter B. Hees
