# Message from the East

My Brother,

As this Veterans Day approaches I would like to take the time to look back at our history as a country and one of, if not the most, famous battles of our history. The Battle of Gettysburg during the Civil War.

While trying to determine how to tie Veterans to Masonry I recalled learning about Free Masons helping one another on the battlefield on either side of enemy lines. While I had never researched the topic myself I decided to investigate the validity of what I recall...and boy was I surprised. I found this great article on Masons helping Masons even though they were fighting against one another in a divided nation.

Our Fraternity has three principle tenets; Brotherly Love, Relief and Truth. These tenets go above and beyond what one may face on the battlefield. During the Battle of Gettysburg there are many stories that have been recorded about one Mason helping another; whether they be friend or foe.

Masons recognizing signs of distress or regalia worn often ensured their foe would be treated with the utmost respect and care. When arms were laid down they were not enemies but Brothers. Brothers who had sworn an obligation to help, aid, and assist all poor and distressed Masons. More often than not they ensured their loved received their fallen's belongings, were properly honored if killed in action, or if possible received the best care and treatment.

While those tenets still ring true today many of us may have forgotten that no matter what side of the line we may be on a Free Mason will always be a Brother.

During this Veteran's Day I ask you to reach out to a Veteran, Mason or not, and thank them for their sacrifice as they too, like us, live above the fray of today's society. And if you so desire read "Masons at the Battle of Gettysburg" by Brother Sheldon Munn.

Fraternally,

A handwritten signature in blue ink, appearing to read 'Jonathan Murray'.

**Jonathan Murray**  
**Worshipful Master, 2017**

Most Ancient and Honourable Society  
of Free and Accepted Masons for the State of New Jersey

September 12, 2017

My Dear Brethren,

Membership in our craft makes us an integral part of a network of Freemasons in communities across our country and the globe. Without active participation and support via our dues, the fraternity could not fulfill its commitment to help its membership and the community at large.

While it is evident from conversations with brothers across the state that we all enjoy the fraternal bonding described as the *"mystic tie that binds,"* healthy functioning lodges allow us to continue our hands-on work that propagate the principal tenets of our beloved craft.

Your continued membership means New Jersey Freemasonry will remain an integral part of our local and global community. Every active brother helps collectively strengthen our fraternity, even when unable to be remain active at our lodge.

Please be mindful about maintaining your standing by returning the enclosed dues form with a check for your 2018 dues (in some cases, your payment can be made electronically). I ask that you be mindful about a timely response to fulfill your obligation.

I will close by noting that it's an honor to lead the craft in New Jersey. I remain humbled by your trust in the office of Grand Master which allows me to marshal resources that benefit the brotherhood. I thank you for sustaining your membership. Our collective involvement and support is the pillar without which a great void would exist in our local and global community.

With my fraternal thanks and regards,

**From England: Brother Ric Berman**

**– Foundations, The Prestonian Lecture**

Bro. Berman is the 2016 UGLE's Prestonian Lecturer. In continuation of our celebration of the 300<sup>th</sup> anniversary of the founding of the premier Grand Lodge in England, Bro. Berman will explore the evolution of Freemasonry from the mid-fourteenth century through to the creation of the first Grand Lodge in 1717. Bro. Berman challenges old Masonic myths, explains the interconnections between Freemasonry, Grand Lodge and Britain's new Hanoverian government, and outlines how and why its leaders positioned the Craft as a bastion against the Jacobite followers of James Stuart - 'the king over the water'.

**From New York: R.W. Piers Vaughan**

**– The Journey in Esoteric Societies**

R.W. Vaughan is a Mason of 40 years' standing and has served in various leadership positions in the Fraternity. A few years ago he decided to use the skills acquired lecturing around the United States and across the world and began a new career in his retirement as an author. His first project was a new Royal Arch Monitor called the Capitular Development Course, now used across the States and several other countries. His next endeavor was Renaissance Man & Mason, a collection of talks given over the past 20 years. Most recently he has published a translation of Louis-Claude de Saint-Martin's book Of Errors & Truth. His lecture is entitled "The Journey in Esoteric Societies".

**From New Jersey: R.W. Michael S. Neuberger**

**– 12 Guilty Men: A lesson in repentance**

R.W. Neuberger is the current Grand Historian of the Grand Lodge of New Jersey. R.W. Neuberger is an outstanding speaker who travels around the state presenting various thought provoking lectures on Masonic philosophies and ideas. His lecture entitled "12 guilty Men, a lesson in repentance" will focus on the guilt of the 12 walking craftsmen. What was their crime? Who are the ruffians that they seek? Can repentance wash away the stain of sin? Is there such a thing as being beyond redemption? How do the three monotheistic faiths practice repentance?

**From Massachusetts: Sis. Michelle Snyder**

**– Symbolology: Leadership & Power**

Symbologist Michelle Snyder and White Knight Studio present: Symbolology: Leadership and Power, a unique and enlightening presentation on the mysterious world of symbols. Humankind attaches associations to objects such as a crown and scepter, a gavel, or a prophet's staff. Depictions of powerful or divine persons, whether in religious iconography or cultural imagery, include attributes - objects which help to identify the person or their status. These symbols of power and leadership have developed over millennia and evolve with the cultures that use them. When we follow these symbols back in context of time and place, their origins reveal to us meanings long forgotten.
